## PROJECTS

### Website: Discover India - Where Heritage meets Adventure | October 2023 - February 2024

- Discover India, is a website designed to celebrate the vibrant culture and heritage of India. This project combines my passion for web development with my love for India's diversity.

#### Technologies Used:

HTML & CSS: For creating a clean and responsive layout.  
JavaScript: To add interactivity and dynamic elements.  
Bootstrap: For a sleek, modern design and mobile responsiveness.  
Animations: To enhance the user experience with engaging visuals.  
Discover India is more than just a website; it's an interactive experience that showcases the beauty, history, and cultural richness of India. From colorful festivals to stunning landscapes, the site offers a comprehensive view of what makes India truly unique.
